COCKTAIL SAFARI WITH HIGHLAND PARK

Highland Park invites whisky and cocktail enthusiasts on a Cocktail Safari through Stockholm's bar scene, where the whisky can be experienced in entirely new ways.

Four Stockholm bars – Häktet Vänster, Tjoget, A bar called Gemma, and The Gold Bar – have each created a unique cocktail, reflecting the elements that define the Orkney Islands in the form of malt, sky, moor and shore.

LA CASA BRUGAL BY NOBIS

The rum Brugal 1888 was born in the Dominican Republic. For over 130 years it has been crafted and aged in the finest casks by generations of our experts in the Brugal family. The result? A taste as warm and welcoming as the people and place it is from.

Hence we're bringing people together at La Casa Brugal by Nobis Hotel.

An experience that captures our vibrant spirit: who we are, where we're going and where we've come from.

Enjoy it neat or in one of our special crafted cocktails below
